TESTIMONIAL "As a long time Norwin Chamber "Super Star", I can attest to the benefits our firm has received. The consistent exposure at all the Norwin Chamber events has resulted in many new client relationships with both Norwin Chamber members and nonmembers alike. Additionally, it is an economical and convenient way to support the Chamber. One check each quarter covers all of your Norwin Chamber promotions. If you haven't been a "Super Star", now is the time to begin."
